**Lubbock Economic Development Alliance, Inc. Agreement with  
Amerigroup Texas, Inc.  
For the period from February 1, 2012 through January 31, 2013**

**Background:**

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to promote local economic development and stimulate business and commercial activity in Lubbock and the surrounding area. To this end, LEDA entered into a performance agreement with Amerigroup Texas, Inc. (hereinafter referred to as "the Company") on January 23, 2012.

The terms of the agreement provide incentives to the Company for the creation of new jobs. The general terms of the agreement allow the Company to receive up to \$181,000 for the creation of twenty-six (26) new full-time jobs by January 31, 2013, and the maintenance of these jobs through January 31, 2017. The Company will earn incentives ranging from \$2,500 to \$10,000 for each job created according to an annual compensation schedule, and these incentives will be earned in one-fifth (1/5) increments as of each annual measurement date.

**Objective, Scope and Procedures Performed:**

Our objective was to determine if the Company met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating names, dates of hire, dates of termination, work locations and compensation as of 1-31-12 & 1-31-13.
- Obtained summaries of the Company's Texas Workforce Commission (TWC) reports for quarters ending 3-31-12 through 12-31-12, and payroll reports for the month of January 2013.
- Reviewed wages reported on the TWC reports to verify annual compensation levels and to corroborate dates of hire and/or termination.
- Discussed questions and issues raised as a result of the above steps with the Company's personnel.
- Discussed agreement interpretations with LEDA personnel.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

## Results and Conclusions:

Per our review of the above data:

- The Company had twenty-three (23) full-time Lubbock employees as of February 1, 2012.
- The Company had thirty-one (31) full-time Lubbock employees as of January 31, 2013.
  - All thirty-one (31) of the full-time Lubbock positions met the specific compensation requirements for the various levels of incentives, an increase of eight (8) full-time positions from the baseline measurement date.
  - For the eight (8) qualifying positions, we selected the employees with the highest levels of compensation for purposes of calculating the eligible incentive for the January 31, 2013 incentive period.

<u>Number of Employees</u>	<u>Incentive per Employee</u>	<u>Total Incentive</u>
5	\$ 7,500	\$ 37,500
1	\$ 5,000	\$ 5,000
2	\$ 4,000	\$ 8,000
-----		-----
<u>8</u>		<u>\$ 50,500</u>

Based on the above, the Company is currently entitled to receive one-fifth (1/5) of the total first-year earned incentives of \$50,500, or \$10,100.
