**Lubbock Economic Development Alliance, Inc. Agreement with
Convergys Customer Management Group, Inc.
For the period from March 1, 2010 through February 28, 2011**

Background:

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to promote local economic development and stimulate business and commercial activity in Lubbock and the surrounding area. To this end, LEDA entered into a performance agreement with Convergys Management Group, Inc. (hereinafter referred to as Convergys) on October 18, 2010.

The terms of the agreement provide incentives to Convergys for the creation of new jobs. The general terms of the agreement allow Convergys to receive up to \$37,500 for the creation of fifteen (15) new full-time jobs in the City of Lubbock from March 1, 2010 through February 28, 2011 and the maintenance of these jobs through February 28, 2015. Convergys will earn incentives ranging from \$2,500 to \$10,000 for each job created according to LEDA's sliding scale. The earned incentives are to be paid out in five annual installments.

Objective, Scope and Procedures Performed:

Our objective was to determine if Convergys met the job creation and maintenance requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating names, dates of hire, dates of termination, jobs titles, and compensation as of February 28, 2010 (baseline) and February 28, 2011 (measurement date).
- Obtained earnings statements for the payroll periods ending January 8, 2011, January 22, 2011, February 5, 2011, February 19, 2011, and March 5, 2011.
- Reviewed wages reported on the payroll reports to verify annual compensation levels and to corroborate dates of hire and/or termination.
- Discussed questions and issues raised as a result of the above steps with Convergys personnel.
- Discussed agreement interpretations with LEDA personnel.

LEDA personnel provided clarification regarding the definition of qualifying employees for purposes of this contract. The original intent of this contract was to allow Convergys to earn incentives on all employees promoted to and/or hired as "team leaders" during the term of this contract.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Results and Conclusions:

Per our review of the above data:

- Convergys had twenty-two (22) full-time Lubbock employees classified as team leaders as of February 28, 2010.
- Convergys had forty-five (45) full-time Lubbock employees classified as team leaders as of February 28, 2011.
- Of the net increase of twenty-three (23) full-time team leader positions, the following met the specific job title and compensation requirements for the various levels of incentives:

<u>Number of Employees</u>	<u>Incentive per Employee</u>	<u>Total Incentive</u>
12	\$ 3,000	\$ 36,000
11	\$ 2,500	\$ 27,500
-----		-----
23		\$ 63,500
=====		=====

Per the terms of the Performance Agreement, the maximum incentive amount is \$37,500. As such, Convergys is currently entitled to receive the first of five installments of total earned incentives as of February 28, 2011, or \$7,500.
