**Lubbock Economic Development Alliance, Inc. Agreement with  
Electracom Supply, Inc.  
For the period from September 1, 2012 through August 31, 2013**

**Background:**

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to promote local economic development and stimulate business and commercial activity in Lubbock and the surrounding area. To this end, LEDA entered into a performance agreement with Electracom Supply, Inc. (hereinafter referred to as Electracom) on August 15, 2011.

The terms of the agreement provide incentives to Electracom for the creation of new jobs. The general terms of the agreement allow Electracom to receive up to \$27,000 for the creation and maintenance of nine (9) new full-time jobs from September 1, 2011 through August 31, 2016. Electracom will earn incentives ranging from \$2,500 to \$10,000 for each job created according to an annual compensation schedule, and these incentives will be earned in one-fifth (1/5) increments as of each annual measurement date.

**Objective, Scope and Procedures Performed:**

Our objective was to determine if Electracom met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating names, dates of hire, dates of termination, work locations and compensation as of 8/31/2013.
- Obtained the Texas Workforce Commission (TWC) reports for quarters ending 12/31/2012 through 6/30/2013 and bi-monthly payroll reports for the pay periods ending September 2012 & July-August 2013.
- Reviewed wages reported on the TWC reports to verify annual compensation levels and to corroborate dates of hire and/or termination.
- Discussed questions and issues raised as a result of the above steps with Electracom personnel.
- Discussed agreement interpretations with LEDA personnel.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

**Results and Conclusions:**

Per our review of the above data:

- Electracom had fifteen (15) full-time Lubbock employees as of September 1, 2011.

- Electracom had sixteen (16) full-time Lubbock employees as of August 31, 2012.
- Electracom had seventeen (17) full-time Lubbock employees as of August 31, 2013.
  - Of the net increase of two (2) full-time position in the Lubbock office, the following met the specific compensation requirements for the various levels of incentives:

<u>Number of Employees</u>	<u>Incentive per Employee</u>	<u>Total Incentive</u>
1	\$ 3,000	\$ 3,000
1	\$ 2,500	\$ 2,500
-----		-----
<u>2</u>		<u>\$ 5,500</u>

Based on the above, Electracom is currently entitled to receive one-fifth (1/5) of the total second year earned incentives of \$5,500, or \$1,100.
