**Lubbock Economic Development Alliance, Inc. Agreement with
United Supermarkets, L.L.C.
For the period from January 1, 2011 through December 31, 2011**

Background:

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to promote local economic development and stimulate business and commercial activity in Lubbock and the surrounding area. To this end, LEDA entered into a performance agreement with United Supermarkets, L.L.C. (hereinafter referred to as United) on March 25, 2010.

Our initial interpretation of the performance agreement was that United would receive incentives for any jobs that were created related to the expansion of the Amigo stores. We initially requested from United an employee census for the Amigo store location. However, upon receipt of the requested census data we determined that there were no management-level employees on the census that corresponded with the positions reflected in Kenny McKay's proposal which was submitted to LEDA's Board of Directors. We later learned that the positions listed on Mr. McKay's proposal were actually employees of Prater's. We discussed this issue with LEDA management and were instructed to use the Prater's employee census for purposes of this agreed-upon procedure.

The general terms of the agreement allow United to receive up to \$107,000 for the creation of twenty-nine (29) new full-time jobs by December 31, 2010, and the maintenance of these jobs through December 31, 2014. United will earn incentives ranging from \$2,500 to \$10,000 for each job created according to LEDA's sliding scale, and these incentives will be earned in one-fifth (1/5) increments as of each annual measurement date.

Objective, Scope and Procedures Performed:

Our objective was to determine if United met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating names, dates of hire, dates of termination, work locations and compensation as of 1-1-11 and 12-31-11.
- Obtained quarterly wage data from Prater's management. The data reflected on the schedules were obtained from internal payroll reports and were not derived directly from quarterly TWC reports.
- Discussed questions and issues raised as a result of the above steps with United and Prater's personnel.
- Discussed agreement interpretations with LEDA personnel.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Results and Conclusions:

Per our review of the above data:

- Prater's had twenty-nine (29) full-time and one (1) part-time Lubbock employees as of January 1, 2010.
- Prater's had fifty-three (53) full-time and two (2) part-time Lubbock employees as of December 31, 2010.
- Prater's had sixty-three (63) full-time and two (2) part-time Lubbock employees as of December 31, 2011.
- Of the net increase of thirty-four (34) full-time positions in the Lubbock office, the following met the specific compensation requirements:

<u>Number of Employees</u>	<u>Incentive per Employee</u>	<u>Total Incentive</u>
3	\$ 2,500	\$ 7,500
3	\$ 3,000	\$ 9,000
5	\$ 4,000	\$ 20,000
3	\$ 5,000	\$ 15,000
2	\$ 7,500	\$ 15,000
2	\$ 10,000	\$ 20,000
-----		-----
18		\$ 86,500
=====		=====

Based on the above, United is currently entitled to receive one-fifth (1/5) of the total second year earned incentives of \$86,500, or \$17,300.
