**LUBBOCK ECONOMIC DEVELOPMENT ALLIANCE
PERFORMANCE AGREEMENT WITH AMPLISINE LABS, LLC
FOR THE PERIOD BEGINNING MARCH 1, 2014 AND ENDING FEBRUARY 28, 2015**

Procedures and Results

Background:

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to stimulate and foster economic activity in Lubbock and the surrounding area. To this end, LEDA entered into a contract with Amplisine Labs, LLC (hereinafter referred to as Amplisine) on June 17, 2013.

The general terms of the contract allow Amplisine to receive incentives for Job Creation. Specifically, Amplisine will receive Job Creation Incentives up to \$528,500 for the creation and maintenance of One-hundred fifteen (115) new full-time jobs in Lubbock over a five year period from March 1, 2013 through February 28, 2018. The incentive payout per job will be \$4,595.65 and will be paid out only for the year the job is created. Thus, Amplisine will be able to earn the following incentives based on the projected job creation timeline:

- Year 2 – nineteen (19) jobs created = \$87,317.60 incentive payout
- Year 3 – twenty-six (26) jobs created = \$119,486.90 incentive payout
- Year 4 – twenty-six (26) jobs created = \$119,486.90 incentive payout
- Year 5 – twenty-six (26) jobs created = \$119,486.90 incentive payout

Should Amplisine fail to attain the Target Job Positions on any measurement date, the incentive payout will be reduced by \$4,595.65 per job not created. Should Amplisine exceed the projected Target Job Positions on any measurement date, the incentive payout will be increased by \$4,595.65 per job created. Total five year payout will not exceed \$528,500.

Objective, Scope and Procedures Performed:

Our objective was to determine if Amplisine met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating names, dates of hire, dates of termination, work locations and compensation as of February 28, 2015.
- Obtained the Texas Workforce Commissions (TWC) reports for quarters ending June 30, 2014 through March 31, 2015.
- Reviewed wages reported on the TWC to verify annual compensation levels and to corroborate dates of hire and/or termination while comparing to employee census.
- Discussed questions and issues raised as a result of the above steps with Amplisine personnel.
- Discussed contract interpretations with LEDA personnel.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

FOR THE PERIOD BEGINNING MARCH 1, 2014 AND ENDING FEBRUARY 28, 2015**

Results and Conclusions:

Per our review of the above data and prior year agreed-upon procedure reports:

- Amplisine had nine (9) full-time Lubbock employees as of the March 1, 2013 baseline measurement date.
- Amplisine had thirteen (13) full-time Lubbock employees as of February 28, 2014.
- Amplisine had eighteen (18) full-time Lubbock employees as of February 28, 2015.

Based on the above, Amplisine created five (5) new Target Positions in the second measurement period. In accordance with the performance agreement, Amplisine earns \$4,595.65 in incentives for each of the five (5) new Target Positions; thus, Amplisine has earned \$22,978.25 in year two incentives.
