

Ki Corp is currently seeking Senior Programmer Analysts with 5+ years of experience. This job will be challenging, fast-paced, and will require candidates who can handle complex, technical applications.

Strong applicants will have excellent communication and time management skills. Ability to manage multiple projects simultaneously is also required.

Programming experience should include:

- VB.NET
- ASP.NET
- .SQL Server

Additional experience with XAML and XML is also preferred.

Qualified applicants should submit résumés to kicorp@kicorp.com
