Background:

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to promote local economic development and stimulate business and commercial activity in Lubbock and the surrounding area. To this end, LEDA entered into a performance agreement with United Supermarkets, L.L.C. (hereinafter referred to as United) on June 1, 2015.

The general terms of the agreement allow United to receive up to $656,000 for the creation of one hundred eighty (180) new full-time jobs, and the maintenance of these jobs through May 31, 2020. United will earn incentives ranging from $2,500 to 10,000 for each job created according to LEDA's sliding scale, and these incentives will be earned in one-fifth (1/5) increments as of each annual measurement date.

Objective, Scope and Procedures Performed:

Our objective was to determine if United met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating employee numbers, dates of hire, employment status, work locations and compensation as of May 31, 2017.
- Obtained the year-to-date gross wages report and Texas Workforce Commissions (TWC) reports for quarters ending June 30, 2016 through June 30, 2017.
- Reviewed wages reported on the TWC and gross wages reports to verify annual compensation levels and to corroborate dates of hire and/or termination while comparing to employee census.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Results and Conclusions:

Per our review of the above data:

- United had seven hundred ninety-three (793) full-time Lubbock employees as of May 31, 2015 (baseline).
- United had eight hundred thirteen (813) full-time Lubbock employees as of May 31, 2016.
- United had eight hundred fifty-six (856) full-time Lubbock employees as of May 31, 2017.
Based on the above, United had a net increase of sixty-three (63) full-time positions. The following employees met the specific compensation requirements for the various levels of incentives:
