FOR THE PERIOD BEGINNING MARCH 1, 2015 AND ENDING FEBRUARY 29, 2016**

Procedures and Results

Background:

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) for the purpose of creating and retaining positions and encouraging new businesses to be established in Lubbock, Texas, to stimulate business and commercial activities. To this end, LEDA entered into a contract with TYCO Fire Products, LP (hereinafter referred to as “the Company”) on December 18, 2013.

The terms of the agreement provide incentives to the Company for the creation of new jobs. The general terms of the agreement allow the Company to receive up to \$88,500 for the creation and maintenance of eighty-one (81) new full-time jobs from March 1, 2013 through February 28, 2018. The Company will earn incentives ranging from \$2,500 to \$10,000 for each job created according to LEDA’s sliding scale. The earned incentives will be earned in one-fifth (1/5) increments as of each annual measurement date.

Objective, Scope and Procedures Performed:

Our objective was to determine if the Company met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.

- Obtained the Texas Workforce Commissions (TWC) reports for quarters ending March 31, 2015 through December 31, 2015.
- Reviewed wages reported on the TWC reports to verify annual compensation levels and to corroborate dates of hire and/or termination while comparing to employee census.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
