**LUBBOCK ECONOMIC DEVELOPMENT ALLIANCE
PERFORMANCE AGREEMENT WITH ELECTRACOM SUPPLY, INC.
FOR THE PERIOD BEGINNING SEPTEMBER 1, 2015 AND ENDING AUGUST 31, 2016**

Procedures and Results

Background:

The Lubbock City Council established the Lubbock Economic Development Alliance, Inc. (hereinafter referred to as LEDA) to promote local economic development and stimulate business and commercial activity in Lubbock and the surrounding area. To this end, LEDA entered into a contract with Electracom Supply, Inc. (hereinafter referred to as "the Company") on August 15, 2011.

The terms of the agreement provide incentives to the Company for the creation of new jobs. The general terms of the agreement allow the Company to receive up to \$27,000 for the creation and maintenance of nine (9) new full-time jobs from September 1, 2011 through August 31, 2016. The Company will earn incentives ranging from \$2,500 to \$10,000 for each job created according to LEDA's sliding scale. The earned incentives will be earned in one-fifth (1/5) increments as of each annual measurement date.

Objective, Scope and Procedures Performed:

Our objective was to determine if the Company met the job creation requirements of their agreement with LEDA. A summary of the procedures used is as follows:

- Reviewed the pertinent contract.
- Reviewed employee census data indicating names, dates of hire, dates of termination, work locations and compensation as of August 31, 2016.
- Obtained the Texas Workforce Commissions (TWC) reports for quarters ending September 30, 2015 through June 30, 2016 and payroll register run for the period September 1, 2015 through August 31, 2016.
- Reviewed wages reported on the TWC and payroll reports to verify annual compensation levels and to corroborate dates of hire and/or termination while comparing to employee census.

Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Results and Conclusions:

Per our review of the above data and prior year agreed-upon procedure reports:

- The Company had fifteen (15) full-time Lubbock employees as of September 1, 2011 (baseline).
- The Company had sixteen (16) full-time Lubbock employees as of August 31, 2012.
- The Company had seventeen (17) full-time Lubbock employees as of August 31, 2013.
- The Company had eighteen (18) full-time Lubbock employees as of August 31, 2014.
- The Company had twenty (20) full-time Lubbock employees as of August 31, 2015.
- The Company had nineteen (19) full-time Lubbock employees as of August 31, 2016.

The Company maintained their baseline of fifteen (15) full time positions and added four (4) positions eligible for incentives. Based on this net increase of four (4) full-time employees since the beginning of the contract period, the four (4) highest paid employees were selected for purposes of calculating the eligible incentives for the August 31, 2016 measurement period.
