MARKET LUBBOCK

Commercial Revitalization Grant Program (CRGP)

> 2024-25 Overview

Market Lubbock, Inc. 1500 Broadway Lubbock, TX 79423 Phone: (806) 749-4500 www.lubbockeda.org

Overview

Market Lubbock Inc. (MLI) will provide grants to offset expenses related to improvements made to commercial 34th Street, North University and East Side properties, located within the respective Lubbock Neighborhood Empowerment Zones (LNEZ) as designated by the City of Lubbock, with the following guidelines:

Eligibility

- An Applicant must be a valid Owner or Tenant (Lessee) of the property needing improvements
- Properties must fall within the appropriate LNEZ boundaries (maps attached)
- Single-Family residences and duplexes are excluded
- An Applicant is eligible to receive a permittable grant and/or façade grant per property (LCAD R# or Development Lot), per enterprise, per year. Must wait one year from MLI Board approval to apply again for the same property (Expenses used in one application cannot be used in another application.)
- Applicant is not eligible for grant program funding if delinquent in property taxes according to the Lubbock Central Appraisal District's (LCAD) records – includes all LCAD properties listed in the applicant's name, and if different, the property owner's name
- Applicant is not eligible for grant program funding if applicant operations rely on tax revenue
- Request for grant must be made prior to start of construction and/or before receiving a
 dated City construction permit(s) Applicant is responsible for acquiring all appropriate
 permits <u>after</u> submitting an initial grant app. Permits must match work performed.
- Expenses eligible for reimbursement must relate to reasonable costs or expenses
- Improvements must meet City of Lubbock Downtown Standards and Guidelines
- Final applicant eligibility will be based on a points system (details on Pages 5 7)

Approval

- All projects are subject to Market Lubbock Inc. Board, City Staff and Lubbock City
 Council approval Applicant is responsible for ensuring the completed scope of work
 matches the originally approved scope
- Receipt of an application is not a guarantee of grant approval
- Applicant is responsible for determining current Certificate of Occupancy status prior to start of construction

Funding

- The \$500,000 budget for the CRGP will be evaluated after each fiscal year (October 1st

 September 30th) and an appropriate budget will be set for the following fiscal year.
- Once funding for a given fiscal year has been depleted, grants will no longer be approved for that fiscal year.
- MLI disbursements are characterized as "reimbursable grants" Applicant pays expenses first
- Once the completed scope of work is determined to match the originally approved scope and a Certificate of Occupancy or similar City document is issued, copies of paid invoices and proof of payment related to real improvements to the property must be submitted to MLI. Once all required reimbursement documents have been provided, MLI will have up to 30 days to process the reimbursement check.

Grant Types

• Permittable Projects

- Improvements require a City of Lubbock permit
- Improvements may be made to the exterior and/or interior of the property.
- Improvements must total a minimum of \$10,000
- The permittable grant reimburses 10% of approved expenses, up to a \$50,000* grant.
- Eligible expenses (requiring a City permit)
 - HVAC
 - Plumbing
 - Electrical
 - Structural
 - Roofing
 - · Code related repairs

Façade Projects

- Improvements may or may not require a City of Lubbock permit
- Improvements must be made to the exterior of the property (excluding roof work)
- Improvements must total a minimum of \$1,000
- The façade grant reimburses 50% of approved expenses, up to a \$25,000* grant.
- Eligible Expenses
 - Exterior painting
 - Exterior doors
 - Windows
 - Signage
 - Awnings
 - Landscaping
 - Parking Lots
 - Murals

^{*}Depending on impact of the project, as determined by the Market Lubbock points matrix, a project may potentially receive more or less reimbursement.

Required Action and Documentation from the Applicant

- Initial grant application with a minimum of applicant's name, contact information and property
 address forwarded to Market Lubbock, Inc. prior to actual construction work beginning and/or
 City permits assigned. A completed grant application packet is required within 3 months of the
 receipt of the initial grant application. Applicant should not wait until the project is completed
 before finishing the application process. Doing so could jeopardize the application process.
- Photos/Images in electronic format of the property's current state
- Renderings of the proposed work to include materials and colors, where applicable
- Architectural plans, where applicable
- A detailed cost estimate from a licensed, independent contractor for the total construction cost.
 This shall include a line-by-line itemization specific to the grant request.
- City permit copies, if applicable (obtained after the initial grant application is turned in)
 - City of Lubbock written communication, if permits are not required (responsibility of applicant to obtain)
- Certificate of Occupancy copy (request a copy at orr@mylubbock.us)
- City of Lubbock Required Communication (responsibility of the applicant to obtain)
 - Contact Brianna Brown, Business Development Director, <u>bbrown@mylubbock.us</u>, to determine:
 - Does the scope of work meet City standards and guidelines?
 - If not, which areas do not and what is the remedy?
 - Are permits required for any aspect of the scope of work?
 - If so, which areas require permits?
 - Once obtained, copies of permits must be submitted to MLI.
 - Are public improvements required?
 - If so, which improvements are required?
 - Are there Code issues requiring remedy?
 - If so, what are they?
- Completion of the project
 - It is the applicant's responsibility to inform Market Lubbock, Inc. of the successful completion of the project.
 - The applicant must notify the City of Lubbock to schedule any required post-project inspections.
- Reimbursement
 - An updated Certificate of Occupancy or similar City document (Applicant is responsible for the final scope of work matching the approved scope of work.)
 - Documents related to a successful inspection (updated CO, green tag, passed inspection report)
 - Paid invoices (must reference the approved scope of work)
 - Processed checks, bank or credit card statements matching the paid invoices (must be legible copies)

Points Matrix

The Commercial Revitalization Grant Program (CRGP) has added a points matrix system (effective January 1, 2025) that will award points based on the 6 categories listed below:

- Property Ownership
- Property Primary Use
- Property Secondary Use
- Parking
- Capital Expenditures
- FTE Jobs New to Downtown

Façade projects will continue to be based on 50% reimbursement of approved expenses, up to a \$25,000 grant. Permittable projects will continue to be based on 10% reimbursement of approved expenses, up to a \$50,000 grant. This part of the process remains unchanged and will determine a base grant amount for both Façade and Permittable. Once the base grant amount is calculated, the points matrix score will determine the percentage of the grant amount that qualifies. (0%, 50%, 75%, 100%, 125%, or 150%)

Matrix points would be earned as follows:

- Property Ownership
 - Property owned 18 months or less: 25 points (Non-Profit 10 points)
 - o Property owned longer than 18 months: 15 points (Non-Profit 5 points)
 - o Property owners living in Lubbock County: 25 points (Non-Profit 10 points)
 - o Property owners living outside Lubbock County: 15 Points (Non-Profit 5 points)
 - o Total maximum points available: 50 points (Non-Profit 20 points)
- Property Current Primary Use (sf)

5 - 9 Jobs: 10 Points
10 or More Jobs: 20 Points

Total maximum points available: 20 points

Supplemental Information to Commercial Revitalization Grant Program – Points Matrix Effective January 1, 2025

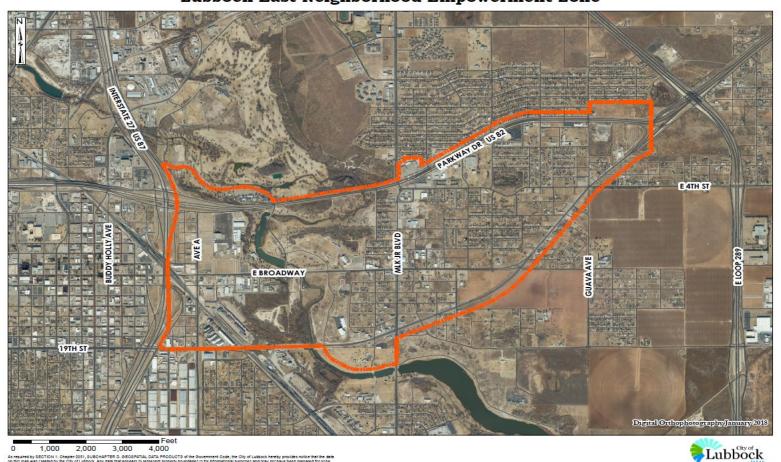

The percentage of grant dollars attained will be determined based on the following definitions and documentation for each category (these areas are covered in the grant application):

- Property Ownership If the grant applicant is leasing the property, the lease date will be used to
 calculate length of ownership. The Lubbock County Appraisal District database will be used to identify
 owners and length of property ownership, as well as if a property is in good standing. LCAD will also be
 used to identify all other properties listed in the property owner's name and renter's name, if
 applicable.
- Property Current Primary Use (sf) Based on square footage, identify the current primary use of the property?
- Property Future Primary Use (sf) If the primary use is changing once the renovations are completed, what is the future primary use?
- Property Current Secondary Use (sf) Does the property have a current secondary use?
- Property Future Secondary Use (sf) If the property has a current secondary use, will it continue to have that secondary use after the renovations are complete? Will the secondary use change? If so, what will the new secondary use be?
- Parking Is there a current surface parking lot, private parking garage, or public parking garage? After renovations are completed, will there be surface parking, a private parking garage, or a public parking garage?
- Capital Expenditures What is the total capital expenditure for the project?
- FTE Jobs New to CRGP Areas What will the full-time-equivalent job count be once the property is successfully renovated? Will any of those jobs be new to the CRGP area? It is not required that the jobs be new to the company, but only new to the appropriate CRGP area.
